“

We found the experience of planting a Tribute Tree to be very positive. It's rewarding to walk the park and see our tiny contribution to the community—one of the many benefits of donating to such a hyperlocal non-profit as Tree Davis. Our family plans to make this an annual tradition!

—Luke, Ashley, Santino Vitanza

I am very grateful to Tree Davis for providing an excellent memorial despite the COVID pandemic. We had a small service with my wife's closest friends, who placed stones with painted messages at the base of her newly planted tree. It was a beautiful, moving occasion. Tree Davis made the whole experience problem-free despite the pandemic.

—Richard Haggstrom

I was so thankful to find Tree Davis and have a Tribute Tree planted to honor the passing of my brothers. The tree gives me a good feeling every time I see it and the money goes to a very worthy cause. The joy I've gotten from the tree is so much more than I expected.

A Green Gift That Lasts Many Lifetimes

Marking a special occasion or honoring a loved one is a great opportunity to plant a climate-ready tree that will benefit our community for generations to come. Tree Davis offers Tribute and Commemorative Trees as distinctive gifts to remember a special person or event and increase our community resilience to climate change. All of our trees are selected to thrive in a hotter and drier climate.

Dedicating a tree is a unique way to celebrate any special occasion, including holidays, births, anniversaries, weddings, birthdays, graduations, promotions, Father's Day, Mother's Day, Veteran's Day, to say thank you, or to remember a loved one.

And while you create a gift that lasts, you are also helping Tree Davis keep the Davis community clean, green, and cool for many years to come.

Honor Loved Ones with Climate-Ready Trees

Tribute Trees

Tribute Trees are planted in Davis yards, parks, schools, greenbelts, and neighborhoods.

When you purchase a Tribute Tree, your honoree will receive a card with your personalized message, and your name will be printed in our Branching Out newsletter.

Commemorative Trees

Commemorative Trees are planted in our Memorial Tree Grove at 1515 Shasta Drive. An engraved plaque is installed on a central sculpture in the grove, and you can request a private planting and plaque installation ceremony.

In addition, your recipient will receive a card with your personalized message, and your name will be printed in our Branching Out newsletter.

Tree Davis works to keep Davis green, and cool by teaching the community to create and sustain climate-ready landscapes.
