We're hiring!

Join the Tree Davis team and help make Yolo County a wonderful place to live, work and play!

Position Title: Urban Forestry Specialist

About Tree Davis: Our mission is to enhance and expand the urban forest by teaching the people of our community to plant and care for trees.

We are committed to educating the public about trees because we view urban forestry as an integral part of healthy communities. Teaching people to plant and care for trees provides knowledge that is integral to the appreciation and valuation of trees in urban settings. It also empowers citizens as stewards of both our communities and the environment. Planting a tree is a fun outdoor activity and so much more: it reduces pollution, reduces the urban heat island effect, brings neighbors together, increases property values, reduces crime, fosters community cooperation, and provides habitat for local wildlife.

Job Description: Under general supervision, provide support in the areas of tree planting, tree care, natural resources management, outreach and education. Work as a leader and team member on a number of urban forestry and natural resources management projects in Yolo County focusing on mobilizing and educating volunteers.

Duties

- Mark and assess tree vacancies
- Enter tree related information into database
- Plant trees and perform maintenance and monitoring on young trees
- Mulch and prune trees
- Water trees during summer

Qualifications

- Professional or academic interest in arboriculture, natural resource management, biology, or a related field
- Experience working independently
- Ability to do sustained physical labor
- Ability to work in inclement weather, especially hot temperatures
- Effective written and verbal communication skills
- Can assist in logistics and coordination in a field environment
- Knows how to take initiative and knows how to problem solve

Preferred

Experience with Salesforce or other database

The ideal candidate is a strong communicator who is reliable and committed to enhancing the urban forest and natural resources of Yolo County.

This is a part-time position, ~5-10 hours per week. Hourly wage is \$14 per hour. Tree Davis is an Equal Opportunity Employer. Please contact yael@treedavis.org to learn more about joining our team!

Warm regards,

Erin Donley Marineau
