

Upcoming Events

Join us for a very special community event on September 25th: The Great Tree Search Bike Tour!

In past years, Tree Davis asked residents to nominate Great Trees in Davis' yards and parks in one of four different categories: unusual size, species, form

Now is your chance to join your neighbors in biking the Great Tree route and learning about the exceptional diversity and rich history of our most cherished urban trees. Mark your calendars for September 25th at 8:30 AM!

Interested in joining us? Learn more about the event and sign up below!

Fall Planting Events

Join us this fall for one of our volunteer planting events! We have weekend events lined up at a park or open space near you!

As part of our Community Canopy Program, we will be planting 1000 trees across the city of Davis by the spring of 2022, and we have 300 to go! So take a look at our upcoming volunteer events and sign up below to lend us a hand. Join in the fun and help plant some trees!

Fall Arbor Day Planting Event - 10/30/21, 9AM to 12PM

Mace Ranch Park Planting Event - 11/6/21, 9AM to 12PM

Harper Highway and Wildhorse Greenbelt Planting Event - 11/20/21, 9AM to 12PM

Russell Boulevard Bike Path Planting Event - 12/4/21, 9AM to 12PM

Tree Davis Memorial Grove Planting Event - 12/11/21, 9AM to 12PM

Introducing the Tree Davis Legacy Celebration

Please join us for what is sure to become one of our most beloved events. Tree Davis is privileged to recognize individuals whose lives have been honored or remembered through our Tribute Tree Program, and those who have honored them. We also thank the many donors who have left a legacy through their gifts to Tree Davis. Their generosity is testimony to a cleaner, greener, and cooler tomorrow.

This event will also showcase our new “Tree Stewardship Awards,” where we recognize members of our community whose dedication to nurturing our urban forest has gone beyond exemplary.

Attendees are invited to bring a remembrance - or write a note at the event - to their loved one and place it in the soil before we plant and mulch a tree. If you are unable to attend you may email a confidential memorial note to wyatt@treedavis.org.

The incredible artwork above has been created and donated by Marie-Therese Brown and will be offered at a silent auction during the event.

RSVP at <https://tinyurl.com/3hbtyva4>.

We Are Hiring

We're hiring! Join the Tree Davis team and help make Yolo County a vibrant place to live, work and play.

Position Title: Urban Forestry Specialist

The Ideal Candidate: We are seeking a team member who is committed to educating the public about trees and working to green our urban landscape by planting and caring for young trees. Our work reduces pollution, reduces the urban heat island effect, brings neighbors together, increases property values, reduces crime, fosters community cooperation, and provides habitat for local wildlife. If you're interested in preparing Yolo County with a climate-resilient landscape for the future, consider joining our team!

Job Description: Under general supervision, provide support in the areas of tree planting, tree care, natural resources management, outreach and education. Work as a leader and team member on a number of urban forestry

and natural resources management projects in Yolo County focusing on mobilizing and educating volunteers.

See full Job Description and List of Duties [here](#).

Interested in applying? Please contact erin@treedavis.org with a cover letter and a resume.
