Tree Davis draws upon the strength of community and science to improve our neighborhoods, area cities, and surrounding natural areas by planting trees. We are making our environment healthier and more resilient. Established by civic leaders in 1992, Tree Davis has had many accomplishments that profoundly impact Davis, West Sacramento, Winters, and Woodland. As the impacts of climate change become clearer, the importance of a vibrant urban and community forest to mitigate against increased temperatures, air pollution, and water contamination, and its capacity to enhance biodiversity is ever more critical.

2025 was a pivotal year for Tree Davis. As with many mission-driven organizations, we experienced leadership transition that invited reflection, renewed focus, and thoughtful engagement from our board and staff. Through it all, our commitment to planting trees and growing community never wavered.

This year marked an important evolution in our approach - we formally integrated public education into every tree planting and care event. By pairing hands-on experience with accessible, on-site learning, we ensured that each tree planted was also an opportunity to deepen community understanding of the critical ecological, economic, and social benefits of urban forestry.

We also completed the tree planting component of the CAL FIRE funded "Climate Ready Urban Forestry Education" grant. Over the life of this initiative, we expanded environmental literacy, strengthened partnerships throughout Yolo County, and equipped young people with tools to steward trees in a changing climate. As the grant sunsets, we carry forward the lessons learned into our ongoing programming.

2025 saw significant progress in the Cool Schools Yolo project. We continued tree planting efforts while preparing for the next phase of site development and construction, laying the groundwork for greener spaces for students in Woodland and West Sacramento.

2025 program accomplishments included:

Tree Davis strengthened its partnership with the City of Davis, making further progress to reach the Urban Forest Management Plan of "no net loss" and replace every tree removed. During the year, Tree Davis planted 175 trees street trees and six meaningful tribute trees. These trees were planted in partnership with individual residents, community groups, student groups, and neighborhood groups.

Tree Davis staff and volunteers continue to work diligently to give proper maintenance to newly planted trees for their first five years - watering regularly, weeding away competing vegetation, adding layers of mulch, and periodically pruning. We are so grateful to our 30+ year partnership with the City of Davis Urban Forestry Department.

Tree Davis completed the final tree plantings for The Climate-Ready Urban Forestry Education program. This CAL FIRE funded program provided high school students from Yolo County with in-class lessons and real-world experience on an array of topics related to urban forestry including exploring the various benefits of urban forests, Climate-Ready Trees, environmental justice, civic engagement, and more. school cohort culminated with a tree planting on their school campus or in a nearby public space. Overall, Tree Davis staff engaged with ~40 students in 2025 and planted 52 trees on school campuses, in parks, and along streets with the students.

The Cool Schools Yolo program celebrated its first round of tree plantings across campuses in West Sacramento and Woodland. With help from partners, Tree Davis planted 356 new trees across all nine school sites with the support of dedicated volunteers. Although construction for the remaining project elements has been deferred to 2026, these initial plantings have already generated strong enthusiasm among students, staff, and the broader community. The newly planted trees represent an important first step toward creating more resilient school environments, while building momentum for the full scope of campus improvements to come.

Tree Davis hosted two cohorts of seven undergraduate College Corps Fellows during the 2024-2025 academic year. These students gained valuable hands-on experience working within a community-based organization. As Tree Davis Fellows, they developed practical skills in planting and caring for trees while getting meaningful, real-world work experience.

On November 2nd, 2025, Tree Davis hosted the fifth annual Legacy Celebration, our largest yet, at the Tree Davis Memorial Grove in West Davis. Nearly 100 community members attended the event to honor and celebrate eight individuals and organizations for their outstanding contributions to the community. The event also featured eight local organizations hosting informational tables, sharing resources, and connecting attendees with their important environmental work.

Under penalties of perjury, I declare that I am an officer of the above exempt organization and that the information I provided to my electronic return originator (ERO), transmitter, or intermediate service provider and the amounts in Part I above agree with the amounts on the corresponding lines of the exempt organization's 2025 California electronic return. To the best of my knowledge and belief, the exempt organization's return is true, correct, and complete. If the exempt organization is filing a balance due return, I understand that if the Franchise Tax Board (FTB) does not receive full and timely payment of the exempt organization's tax liability, the exempt organization will remain liable for the tax liability and all applicable interest and penalties. I authorize the exempt organization return and accompanying schedules and statements be transmitted to the FTB by the ERO, transmitter, or intermediate service provider. If the processing of the exempt organization's return or refund is delayed, I authorize the FTB to disclose to the ERO or intermediate service provider the reason(s) for the delay or the date when the refund was sent.
